The National Nikkei Heritage Centre (NNMHC) offers a beautiful, unique, and exclusive venue for special events. Our signature building was conceived by architects Raymond & Jason Moriyama, renowned for high-quality, sustainable and award-winning design, together with talented project architect Ken Takeuchi. Our well-appointed flexible function space and professional staff can help make your next event a success.

The NNMHC has a distinctive open air 2700 sq ft lobby overlooking a beautiful garden with capacity for 100 seated and 150 reception style, and a large hall with stage that can accommodate 400 theatre style or 300 banquet style that can be divided into smaller rooms to accommodate medium to large-sized groups. There are 4 medium to large activity rooms that can accommodate 16 to 60, and a fully equipped cooking classroom with oven, fridge, and dishwasher. A beautiful landscaped garden and expansive front grounds are ideal for outdoor events. All function rooms have wireless internet access, audio/visual equipment is available for rent, and there is no corkage fee. Outside caterers are welcome.

We are conveniently located in Metro Vancouver with easy access by public transit and car. There is free underground parking and we are fully wheelchair accessible.
